

Gears2010
Technical Awareness Seminar
The Research Beehive, Newcastle University
Wednesday 24th November

Call for Presentations

Following the success of our 2009 Seminar held at AgustaWestland, the 2010 Technical Awareness Seminar will be held on **Wednesday 24th November** at the Research Beehive, Newcastle University.

Topics such as Renewable Energy, Auto sport, Aerospace, Marine Drives, QC, Transport, Design & Design Software and Manufacturing in the Future are some suggested application areas.

You are invited to submit an Abstract of up to one-page in length no later than **Friday 18th June 2010**.

The Seminar Chairman will select 8 presentations from those submitted and it is mandatory that copies of presentations will subsequently be required for binding into the Seminar Proceedings. (Please note that formal papers are also welcome).

Please submit your abstract as a Word or pdf file or hard-copy to:
